

# How to print and sign the petition to END the Massachusetts Income Tax

Print the petition using standard *WHITE letter-size paper* (8-1/2" by 11") -- the kind that's probably in your printer right now.

- Make sure it prints in **black** ink.
- Do not reduce the image. Print 100% of image size.
- It's **2-sided**. Please print the 2nd page on the backside of the first page.

Sign on the front page (use back for more signatures):

1. On the left side, sign your name (or have voters sign) under "SIGNATURE". If not legible, please *print your name right next to it* in the same box or on the line below it (and skip that line for the next signature).
2. On the right side, enter your *residential* street address as you're registered to vote (*no post office boxes*) under "NOW REGISTERED AT". Include apartment number. You do *not* need to enter Ward nor Precinct.
3. Enter the voter's *city or town in the box at the bottom* where indicated.

Note: you must use **separate sheets for every city and town!** If you are collecting signatures, bring plenty of blank sheets. Anyone who signed the END the Massachusetts Income Tax petition last year may NOT sign again.

Please mail us your signed petitions ASAP to the address on the petition. It's OK to fold them:

Petition CC, PO Box 5268, Wayland, MA 01778

Send in all petitions no later than **June 9, 2008 (prefer by June 1<sup>st</sup>)**. *The sooner the better* because we must sort them, check their validity, etc. Please send them in as soon as you have collected a bunch and have stopped petitioning.

**Please print, sign, and mail in your petitions *today*.**

**Thank you!**
